	3085 fuchsia		silver chrome		6050 pesto		9050 raven black

TIP

BASIC is the new entry level paint offering a range of 20 selected colors to cover all of your bases. Although lower pigmentation compared to other Montana products, coverage is good and will not dissapoint. The BASIC range offers nitro-combi quality which guarantees quick drying time and enables BASIC to be easily combined with all other products. Suitable for all budgets, BASIC is a good product for a good price.
